Fort Atkinson Youth Soccer Association

Fall 2010 Jr. SOCCER FOR KINDERGARTEN and 1ST GRADERS

Teams of 6 - 7 players will be formed. Each week the teams will work on a specified set of skills for the first 15 - 20 minutes. Then, the teams will play four 8-minute quarters. The format will be 4 v. 4 without goalkeepers. The focus of the games is to promote a fun and physically active sport and to increase the number of touches a player gets. Winning games is not deemed critical at this age and thus scores of games will not be tabulated. In the event that one team is dominating the other team, the instructors can decide to mix the teams for more balanced play. With this format, we need parent helpers to assist the JR Soccer Instructors. Since there aren't outside practices at this age, the only request is that the parent helpers come 10 minutes early each Saturday to review the drills/skills for the practice time. Please check the bottom of the registration form if you are interested in helping.

Soccer is an exiting sport that often involves forceful contact with the ground or other players, and often played during extreme (i.e. hot, humid, rainy, extreme cold) weather conditions. Because these conditions are inherent to the sport, participating in soccer exposes an athlete to many risks of injury. Those injuries include, but are not limited to, death; paralysis due to serious neck and back injuries; brain damage; damage to internal organs; and serious injuries to bones, ligaments, joints, and tendons. In an effort to make the sport as safe as it can be, the coaching staff will instruct players concerning the rules of soccer and the correct mechanics of all skills. It is vital that athletes follow the coach's skill instructions & rules to decrease the possibility of serious injuries.

We have read the information above. We knowingly and freely assume all such risks, both known and unknown, and assume full responsibility for participation in these programs. We also give permission to the coaches, trainers, & doctors/dentists to give first aid and emergency care, which may include transportation in an emergency vehicle (e.g. ambulance and/or rescue squad) of my son/daughter should such assistance be required. In signing this form, we assume the inherent risks of soccer and agree to hold FAYSA, the Fort Atkinson School District and their staffs harmless in any & all liability actions, claims, or legal action in connection with participation in any FAYSA activities.
