

FALL 2010 U10 SOCCER REGISTRATION

FOR BOYS AND GIRLS ENTERING 3rd AND 4th GRADE in the FALL 2010

Our U10 soccer program is open to both boys and girls in grades 3 & 4 this Fall. We will attempt to form balanced teams based on prior soccer experience. We will also try to maintain an equal boy/girl ratio between all the teams. Teams will consist of a mix of players from the varying schools. Players living in the same household may be on the same team if they are in the same age division. **Registrations received after June 5th are not guaranteed team placement.** Any openings will be filled on a first come basis. Once teams are filled, late registrants will be placed on a waiting list. If no placement is made the registration fee will be refunded.

You must register by June 5th to guarantee team placement for the FALL season!

Practices will be held once a week at the FAYSA soccer fields located behind Luther Elementary School or at the soccer fields located at the other elementary schools in Fort Atkinson. Practice times will be determined after the teams are formed. Practices are important to a team's performance and a commitment to attend is requested.

Our U10 games are scheduled on Friday evenings @ 5:00 p.m. and 5:30 p.m. The six (6) game Fall schedule starts on September 10th and the last game is held on Friday, October 22nd. The coaches will provide schedules and team rosters.

Call Michele Stoutenborough @ 568-0705 or Kris England @ 568-0377 with any questions.

- **Registrations are due by June 5th!**
- Detach and use the registration form shown.
- The fee includes insurance, team jersey, socks & FAYSA membership.
- Please note: The registration fee is non-refundable.
- Coaches will contact all players on or about the second week of August on team placement and practice arrangements.

Soccer is an exciting sport that often involves forceful contact with the ground or other players. Soccer is also played during hot, humid weather. Because of these conditions inherent to the sport, participating in soccer exposes an athlete to many risks of injury. Those injuries include, but are not limited to, death; paralysis due to serious neck and back injuries; brain damage; damage to internal organs; and serious injuries to bones, ligaments, joints, and tendons. In an effort to make the sport as safe as it can be, the coaching staff will instruct players concerning the rules of soccer and the correct mechanics of all skills. It is vital that athletes follow the coach's skill instructions & rules to decrease the possibility of serious injuries.

We have read the information above. We knowingly and freely assume all such risks, both known and unknown, and assume full responsibility for participation in these programs. We also give permission to the coaches, trainers & doctors/dentists to give first aid and emergency care to my son/daughter should such assistance be required. In signing this form, we assume the inherent risks of soccer and agree to hold FAYSA, Fort Atkinson School District & staff harmless in any & all liability actions, claims or legal action in connection with participation in any FAYSA activities.
